Fiscal Stress Monitoring System[®]

School Districts in Stress Fiscal Years Ending 2020

January 26, 2021

The Fiscal Stress Monitoring System and resulting fiscal stress designations rely on data (as of 12/30/2020) from ST-3 reports submitted by school districts to the State Education Department.

This list (sorted in order of fiscal stress score) reflects a fiscal year end date of June 30, 2020.

School district information for the fiscally dependent districts (Buffalo, Rochester, Syracuse and Yonkers) will be incorporated into the scoring of their respective cities.

January 2021 Release Note: These fiscal stress scores are based on end-of-school-year 2019/2020 results, and thus provide a baseline measurement of school districts' ability to respond to the financial impact of the ongoing public health crisis. We expect that the fiscal landscape will continue to change in the months (and years) ahead, and we encourage school district officials to closely monitor their financial condition in the current and future budget cycles.

Significant Stress

Total points of 65 or Greater

Name	County	Region	Fiscal Score
Northern Adirondack Central School District	Clinton	North Country	83.3
Mount Vernon School District	Westchester	Mid-Hudson	66.7
