WHAT ARE DELETES?

- Direct Deposit transactions that have been transmitted to Wells Fargo for processing by the National Automated Clearing House Association (NACHA), but have not yet been posted to employee bank accounts.
- Can be done up to 2 business days prior to the check date.

WHAT ARE REVERSALS?

- Direct Deposit transactions that have been transmitted to Wells Fargo for processing by the National Automated Clearing House Association (NACHA), but have been posted to employee bank accounts.

BACKGROUND

- Agencies identify overpayments for employees enrolled in Direct Deposit when the **employee is not due another paycheck that can be adjusted.**
- Agency submits Form AC3197 (Fax Request for Direct Deposit Stop/Reversal).
- The entire check will be reversed – there are no partial reversals of paychecks.
- Per NACHA guidelines, state stop/reversal requests must be requested no later than **5 business days** after the check date.

FAX REQUEST FOR DIRECT DEPOSIT STOP/REVERSAL

OSC Payroll Deductions Section Fax Number: (518) 486-3099

Instructions for Agencies:

1. This form is used to stop or reverse a direct deposit transaction that has been generated by PayServ. Call the OSC Deductions Section at (518) 402-2679 or (518) 474-4042 to initiate a request for a direct deposit stop or reversal. If the request is approved by phone, submit this form by fax and call the OSC Deductions Section to confirm receipt of the request.
2. A Report of Check Returned for Refund or Exchange (AC-230) must be submitted.
3. OSC will notify the agency when the funds have been retrieved. The check will be held by the Bureau of State Payroll Services until the AC-230 form is received from the agency.
4. OSC will process a Stop Payment/Reversal if the employee is overpaid and off the payroll, with no future checks anticipated and no other means to retrieve the overpayment. If the employee is still active on the payroll, the agency should notify the employee and retrieve the funds from the next available check, whenever possible. Contact your payroll auditor to discuss overpayment recovery.
5. Review the employee's direct deposit record in PayServ and make any necessary changes for the next payroll period.
