Statutory Considerations in Addition to Article V-A - Brokers and Dealers

Article V and Section 1315 of New York's Abandoned Property Law

In addition to Article V-A, brokers and dealers are subject to the statutory requirements of Article V and Section 1315 of New York's Abandoned Property Law. For more information, refer to Article V and Section 1315 of the statute and to OUF's General Corporation document.

Abandoned property related to Article V and Section 1315 may be included with your Article V-A report.

Holders Not Authorized to Conduct Business in New York State

Section 1312 of New York's Abandoned Property Law extends statutory coverage to any broker or dealer that:

- Is chartered or organized in another state and not authorized to do business in New York
- Holds unclaimed property payable to a person whose last known address is within New York

Such reporting organizations are subject to the same statutory reporting requirements as organizations doing business in New York. However, the publication requirement does not apply.

Section 1422 of New York's Abandoned Property Law

Section 1422 of the APL requires that, at least 90 days prior to your final report, a first class mailing be made to each person whose name is expected to appear on the report unless the address is unknown or the holder can demonstrate that the address it has for the owner is not the owner's current address. In addition, at least sixty days prior to your final report, a certified mailing, return receipt requested, must be made to each person whose name is expected to appear on the report whose abandoned property is valued in excess of \$1000.00 unless a claim has been initiated since the first class mailing was sent, or the first class mailing was returned as undeliverable.

Schedule of Events for Article V-A/Brokers and Dealers

December 10

By this date:

Send a first class mailing to each person or entity whose name is expected to appear on your report of abandoned property and request a signed written statement that acknowledges the property's existence. This requirement does not apply to those accounts that meet the exclusionary provisions of Section 1422.

Reactivate all owners who respond to the mailing. Their property will no longer be dormant, and you should remove them from reporting consideration.

December 31

For the purposes of determining abandoned property, a broker or dealer's year runs from January 1 through December 31. December 31 is the cut-off or ending date for the reporting period. Use it when identifying abandoned accounts/items.

January 1 through March 10

During this period:

- Review your records and collect data relative to any account/item that may be dormant and subject to reporting. If you have an account/item subject to reporting:
- Compile the data in one of our reporting formats, so that you may submit it as your final report.
- Use removal codes to annotate the report as needed should adjustments be necessary due to customer contact, erroneous entry, etc. It is not necessary to create another report to update an account's status.

January 10

By this date:

If an owner hasn't responded to the first class mailing, or if the first class mailing was not returned as undeliverable, and the value of all unclaimed property held for the owner exceeds \$1000, you are required to send a second notification via certified mail, return receipt requested.

You may charge the cost of the certified mailing against the property's value.

Reactivate all owners who respond to the mailing. Their property will no longer be dormant, and you should remove them from reporting consideration. Please note that we consider a return receipt to be customer contact if the receipt bears the signature of the account owner.

Therefore you should verify return receipt signatures against the other signature records you may have for an account owner.

March 1 through March 10

During this period:

- Finalize the report.
- Arrange for payment.
- Submit the report, payment, and a Verification and Checklist to us. We need to receive them by the close of business on March 10.

Important Issues - Brokers and Dealers

Dormant Customer Accounts

Dormant customer accounts are reportable to New York State if payable to a resident of this state. Those stockbrokers incorporated in New York State are also required to remit foreign and unknown resident accounts. Dormant accounts held for non-New York residents may be subject to the abandoned property laws of other states.

IRA and Keogh Accounts

If you cannot contact the account's owner, the law requires you to report an individual retirement account (IRA) or Keogh account in the cut-off year in which the account's owner reached age 70 ½. In the absence of contact/activity within the last three years, the law requires you to report an individual educational IRA (Coverdell educational savings) account in the cut-off year in which the account's owner reached age 30. If you cannot reasonably obtain the owner's date of birth, presume the owner was twenty-one on the account's opening date.

In reporting, use the property type that reflects the nature of the account. For example, use 11 if the proceeds had been held in a trading or investment account. In the Date field, enter the date on which the owner reached age 70 ½. In the Description of Security field, enter IRA. This clarifies that you are not reporting the account prematurely.

Record Retention

The law requires that brokers and dealers retain records relative to abandoned property filings for a period of ten years following the year in which the records were created.

Roth IRA

We recognize that while the Roth IRA is not subject to the mandatory distribution rules during the original owner's lifetime, confusion may exist among both the public and the holder community as to the treatment of this product with respect to the Abandoned Property Law. Accordingly, for the purpose of consistency, OUF has as a matter of policy determined not to penalize reporting organizations for treating the Roth IRA in the same manner as the traditional IRA and reporting them in the year the owner reaches the age of 70 ½.

Uncashed Checks

Uncashed checks issued by brokers to their customers or other brokers in payment of dividends, bond interest, principal, or other customer credit balances are reportable to New York if payable to a resident of this state. This also applies to foreign and unknown owners, if a broker incorporated in New York issues the check. Since the funds represent amounts due to customers, a three-year dormancy period applies.

Unclaimed Overpayments-Dividends, Interest and Securities

As a result of the Supreme Court's decision in Delaware vs. New York, brokerage firms incorporated in New York and New York partnerships are required to report all unclaimed overpayment amounts and securities held for unknowns. A three-year dormancy period applies. In accordance with that decision, such amounts, if held by a non-New York corporation or partnership are reportable to the holder's state of incorporation.

Due Diligence- Brokers and Dealers

Holders of abandoned property are required to conduct due diligence in the form of mailings. The associated costs for completing certified mailing due diligence may be charged individually to the abandoned accounts involved in the due diligence effort, while the costs for completing the first class mailing requirement cannot be offset. You may not take a bulk deduction against the report's total value. A positive customer response to any due diligence attempt negates the need for further due diligence actions on an account.

You should exercise due caution in attempting to contact entitled owners who reside in politically sensitive countries. Also, please note that certified mailing requirements do not apply to residents of foreign countries. Address any questions pertaining to this subject to our Director of Audits.

Mailing Requirements

First Class and Certified Mailings

The law requires that all organizations do the following:

- At least 90 days prior to their final report/remittance date, send a first class mailing to each owner whose name is expected to appear on that report unless;
 - The owner address is unknown, or
 - The holder can demonstrate that the address it maintains for the property owner is not the property owner's current address

And

- At least 60 days prior to their final report/remittance date, send a certified mailing, return receipt requested, to each owner whose name is expected to appear on that report with abandoned property valued in excess of \$1000.00 unless;
 - A claim has been initiated since the first class mailing was sent, or
 - The first class mailing was returned as undeliverable.

Multiple Owners

For cases in which multiple owners of an item have different addresses, you must send a letter to each owner. You may deduct the additional costs of mailing a certified notice to more than one address.

Multiple Items

Where feasible, if you are reporting more than one item for the same customer, one letter should address all of the items you are reporting.

Costs

You may deduct the mailing costs for certified mail. Deduct such charges from each item for which you are mailing the notice. You may not make a bulk deduction against the final remittance.

Mailing Requirements – Dividend Reinvestment Accounts

Article V requires you to send notification to the apparent owners of securities that are enrolled in reinvestment plans. This notification, which is to be sent via certified mail return receipt requested, should advise owners that in the absence of establishing written

communication with the holder their securities will be delivered to the State Comptroller as abandoned property. A return receipt signed by the owner of the property is to be considered contact.

Additionally, Article V stipulates that owners of unclaimed wages be notified at the last known address of record via first class mail.

In either of the above cases the notifications must be sent in the calendar year prior to the year in which you are required to deliver the property to the State Comptroller. You may not deduct the cost of sending notifications from the value of the abandoned property.

Remittance

Refer to the industry-specific document that applies to your business for information regarding appropriate remittances. Note – electronic funds transfer is available to remit payment. Contact the Reports Processing Unit at nysrpu@osc.ny.gov for account and routing number information.

With each final report of abandoned property, you should include the applicable remittance payable to the Comptroller of the State of New York. You should mail it to the following address:

New York State Office of the State Comptroller
Office of Unclaimed Funds
Remittance Control, 2nd floor
110 State Street
Albany, New York 12236

In accordance with OUF's internal control procedures, you should send all payments to the above address. At no time should you send any remittances to our New York City office.

Electronic Funds Transfer

E-cash is now a viable method to make payment of the amount due for your report of abandoned property. Please contact our Communication Center or our Reports Processing Unit for further instruction and for account and routing number information.

Security Delivery Instructions

You must deliver all reported security positions to OUF's custodian at the time you file the abandoned property report.
